KAAF University College, Ghana(West Africa)

KAAF University College was incorporated in 2006 under the Companies Code Act 179 of 1963. However, admissions started during the 2008/2009 Academic Year with a handful of pioneering students. The school started with the establishment of the Faculty of Engineering and later a Department of Business. Within 4 years, the number had risen to nearly 1000, with the Engineering Faculty having the larger number of students. The school currently has a student population of around 1200 and offers courses in engineering, business, law, nursing and computer science. KNUST serve as our mentor institution and for Engineering and Business, GIMPA for our Law Programme and UDS for Computer Science and Nursing. Presently the college has 158 Teaching Staff and 2594 Students.

International Institute for Special Education (IISE) , Lucknow, UP, India

The class and culture of International Institute for Special Education (IISE), Lucknow is as rich as the city in which it is located. IISE is not merely a Management, IT school and Mass Comm. College, but an Institution that acts as a conversion center where budding professional are transformed into potential managers; equipped with all necessary skills and ethics required to succeed in the corporate world.

IISE is committed towards offering quality education and ensuring placements for students for a affordable fee. Its sprawling lush green campus means the students can look beyond the usual concrete jungles and study in the lap of nature. IISE focuses on holistic development of the students by providing them exposure based management, IT and Mass Communication education. With consistent efforts, we convert the students into human capital and this metamorphosis ultimately leads the students to success. IISE's concern for the welfare of its students lies in its inherent philosophy—'Of the students, by the students, for the students'

Science Tech Institute, Lucknow, UP, India

The Science-Tech is one of the premier Institutes of Lucknow dedicated to organize various academic activities like Conferences, FDP, seminars, workshops and Training programme and Certificates Course in collaboration with many National & International organizations and Institute have own Publications House and Journals to be publish various fields of books, Research papers and Magazine. The Institute is run by Manraj Kuwar Singh Educational Society, Lucknow. The Society is working for the development of deprived socio-economic students by providing them quality education.

ABOUT OF THE CONFERENCE

The International Conference on "The Role of AI and Multidisciplinary Research in Shaping a Sustainable Future" is a pioneering gathering of scholars, researchers, and practitioners across the globe. This event serves as a pivotal platform for exchanging insights and innovations in the domains of Artificial Intelligence and Multidisciplinary Research. With a focus on sustainability, it seeks to explore how AI, coupled with a multidisciplinary approach, can address the pressing challenges of our time, from environmental conservation to social equity. The conference provides an opportunity to bridge the gap between academia and industry, fostering collaborations that pave the way for a more sustainable and technologically advanced world . Conference Theme: The conference's central theme, "The Role of AI and Multidisciplinary Research in Shaping a Sustainable Future," embodies a profound vision. It underscores the pivotal role that Artificial Intelligence plays in revolutionizing various fields, including ecology, healthcare, finance, and education. Moreover, the theme emphasizes the critical need for a multidisciplinary approach, acknowledging that sustainability challenges require diverse perspectives and expertise. Attendees will delve into discussions on how AI can drive sustainable practices, enabling us to tackle complex global issues such as climate change, resource depletion, and societal inequalities. This theme encourages attendees to think innovatively and collaboratively, setting the stage for transformative solutions and a more promising future.
